OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE

SIR

In continuation of my letter No 8293 4 / 288 dated 21st March 1903 submitting the State Grand Budget for Education, I have the honour to forward herewith a list of new monthly grants-in-aid required for schools with full particulars and statements of the grounds for recommendation The total amount required is Rs 246 or Rs 2952 a year

2 To the particulars given in the column of remarks I would add that two Normal schools maintained by the Wesleyan Mission, one for male teachers and the other for female teachers appear for the first time in the list of schools seeking Government aid The aid required is a grant for scholarships at Rs 5 per pupil for the inmates

who are being trained in the schools I hope Government will sanction this and the Female Normal school is I believe maintained by Miss A B Cooke at her own cost. The amount of aid sought is very moderate Miss Cooke hopes to form a class of Muhammadan pupils next year This class will be of immense use to Government and save them the cost and trouble of maintaining a Zenana Training school for Hindustani Mistresses for their schools

3 Three schools for which aid was declined by Government last year ceased to exist in 1902, viz., the Wes Mission schools in Rakshanapura Hassan, Hosakoppalu Hassan, and Basavanahalli Chikmagalur. No grant is recommended for them They are entered only with reference to Order No. 12267 / Ed 304 dated 23rd February 1903 + Edn 91-01-11 + 7(c) & IV

4 I should be glad when orders on new grants-in-aid are passed if I could be personally consulted, as it is impossible to anticipate all the points on which Government may require information. A personal interview would greatly facilitate disposal of such references This is one of the chief reasons why in my opinion it would be a great advantage to appoint the Inspector General Ex Officio Secretary in the Education Department

I have the honour to be,
Sir
your most obedient servant,
H J Stokes
Inspector-General
